3. Jeanne Clery Act

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act or Clery Act, signed in 1990, is a federal [statute](#) codified at [20 U.S.C. § 1092\(f\)](#), with implementing regulations in the [U.S. Code of Federal Regulations](#) at [34 C.F.R. 668.46](#).

The law is named after [Jeanne Clery](#), a 19-year-old [Lehigh University](#) student who was raped and murdered in her campus hall of residence in 1986. Her murder triggered a backlash against unreported crime on campuses across the country.

Crime Statistics

The Clery Act requires all colleges and universities that participate in federal [financial aid](#) programs to keep and disclose information about crime on and near their respective campuses. Compliance is monitored by the [United States Department of Education](#), which can impose [civil penalties](#), up to \$35,000 per violation, against institutions for each infraction and can suspend institutions from participating in federal [student financial aid](#) programs.

4. Responsibility for the Annual Security Report

The SWIHA Executive Director, SWINA Campus Director, and Director of Yoga Education for compiling the Annual Report and yearly statistics. These persons will be considered Campus Security Authority (CSA).

Definition of a CSA

A CSA is a person referred to as a campus security authority by the Clery Act. CSA's are a vital part of data collection for the annual safety and security report.

The Clery Act requires SWIHA, SWINA and SOY to provide an annual safety and security report. In addition to input from law enforcement, certain staff positions are designated as Campus Security Authorities (CSA) for the purpose of providing information for this report. CSAs are usually found in departments responsible for, but not limited to, student and campus activities, safety/security, discipline, human resources or judicial proceedings. This designation also

includes any individual who has been specified by SWIHA, SWINA or SOY to receive and report offenses.

CSA's are responsible for reporting the number of crimes and incidents as described in the Clery Act that occur on campus. These numbers are then included in the federally mandated Clery Report, which is distributed every year in the beginning of October.

The following are designated CSA's at SWIHA and SOY:

- Executive Director
- Director of Yoga Education

The following are designated CSA's at SWINA:

- Campus Director

SWIHA, SWINA and SOY participate in training exercises for emergency preparedness.

5. Responsibility for Personal Safety and Security

Personal safety and security are everyone's responsibility. Staying informed is the first step to ensure that our campus facilities will be as safe and secure as possible for all to use and enjoy. The fundamental mission of this group is to provide a safe environment that is feasible for the development of the students, instructors, employees, and visitors on the institution's premises.

6. Reporting of Criminal Actions and Emergencies

SWIHA and SOY:

In emergency situations, the person reporting the crime should call 9-1-1 for an immediate response from the local law enforcement agency. Thereafter, the crime should be reported to the following:

Dr. Brad Bouté (Bradb@swiha.edu) – Executive Director

(SOY ONLY) Will Zecco (Willz@swiha.edu) – Dean of Yoga Education

and/or and to the local law enforcement agency.

SWINA:

In emergency situations, the person reporting the crime should call 9-1-1 for an immediate response from the local law enforcement agency. Thereafter, the crime should be reported to the following:

All victims of crime that occur on campus shall be provided with the opportunity to report the incidents to the local law enforcement authority. SWIHA, SOY and SWINA reserves the right to treat an offense as a disciplinary matter whether or not it is reported to the local law enforcement agency. SWIHA, SWINA and SOY do not allow voluntary, confidential reporting.

7. Confidential Reporting

We encourage anyone who witnessed or has been a victim of a crime to immediately report the incident by dialing 911 or for a non-emergency, please contact the Tempe, Arizona Police Department at 480-350-8311. Crimes can be reported on a voluntary, confidential basis for inclusion in the Annual Security Report. The purpose of a confidential report is to maintain anonymity, yet it allows SWIHA, SWINA and SOY to take steps to ensure your future safety and that of others. With such information, the school can keep an accurate record of the number of incidents involving students, employees and visitors and alert the campus community to potential danger if necessary. Reports filed on a confidential basis are counted and disclosed in the annual crime statistics for the school. SWIHA, SWINA and SOY encourages all licensed mental health professionals and school counselors to refer persons they are counseling to report crimes on a voluntary, confidential basis by contacting the office of the Dean of On-Campus Education if and when they deem appropriate.

SWIHA, SWINA and SOY, encourages all licensed mental health professionals and school counselors to refer persons they are counseling to report crimes on a voluntary, confidential basis by contacting the office of Dean of On-Campus Education.

Additionally, each year, all counselors report Clery-reportable crimes, if any were received. Each of these reports is reviewed by the office of the counselors, occupational Director or Human Resources to confirm it meets the requirements under the Clery Act.

14. SWIHA, SWINA and SOY Sexual misconduct policy for students regarding sexual assault, Domestic Violence and Dating Violence

Sexual Misconduct Policy

Title IX of the Education Amendments of 1972, 20 U.S.C. § 1681 et seq. ("Title IX") prohibits discrimination education programs or activities that receive Federal financial assistance. Sexual Misconduct, as defined in this policy is a form of sex discrimination prohibited by Title IX.

The following policies and guidelines are established for students who seek information and assistance with intervention strategies should they be a victim of or witness to sexual harassment or assault. If the event involves an employee, it must be reported to the Dean of Academic and Operational Compliance.

SWIHA, SWINA, and SOY are committed to arrange medical assistance to the student and offer first aid. In addition, it will coordinate any assistance with the local police Department. Any attempt to violate any portion of this policy is considered sufficient evidence of having committed the violation itself. The use of alcohol or other drugs will not be accepted as a defense or mitigating factor to a violation of this policy. These policies apply regardless of the complainant's or respondent race, ethnicity, gender, sexual orientation, religion, age, nationality or ability. Also, prohibitions against discrimination and harassment do not extend to statements or written materials that are germane to the classroom or academic course of study.

The Title IX Act as well as SWIHA, SWINA, and SOY also prohibit gender-based harassment, which may include acts of verbal, non-verbal, physical aggression, intimidation, or hostility based on sex or sex-stereotyping, even if those acts do not involve conduct of a sexual nature.

If you or someone you know may be the victim of any type of sexual misconduct, you are strongly urged to seek immediate assistance.

Southwest Institute of Healing Arts Title IX Grievance Procedures

Title IX of the Education Amendments of 1972 ("Title IX"), 20 U.S.C. §1681 et seq., is a Federal civil rights law that prohibits discrimination on the basis of sex in education programs and activities. All public and private elementary and secondary schools, school districts, colleges, and universities receiving any Federal funds must comply with Title IX. Under Title IX, discrimination on the basis of sex can include sexual harassment or sexual violence, such as rape, sexual assault, sexual battery, and sexual coercion.

Sexual harassment is an unlawful infringement of your right to attend school or work in an environment free from unlawful sexual conduct and pressure. Sexual harassment is a form of sex discrimination that violates the Civil Rights Act of 1964.

SWIHA is committed to a campus environment free from any form of discrimination and sexual harassment toward any student, employee, or visitor. This includes online discussion conferences and course areas. Discrimination based on gender, ethnicity, religion, national origin, age, physical characteristics, developmental or emotional differences, or sexual orientation including intimidation or coercion will not be tolerated. Violation of SWIHA harassment, discrimination, or sexual harassment policies shall subject the offending parties to appropriate disciplinary action up to and including termination (faculty and staff) or expulsion (students). Retaliation for reporting such conduct will not be tolerated. The party(s) participating in the retaliation will be subject to appropriate disciplinary action up to and including termination (faculty and staff) or expulsion (students).

Harassment of students can affect any student, regardless of sex, race, or age. Sexual harassment can threaten a student's physical or emotional well-being, influence how well a student does in school, and make it difficult for a student to achieve his or her career goals. Preventing and remedying sexual harassment at SWIHA is essential to ensuring a nondiscriminatory, safe environment in which students can learn.

Any student who believes he or she is being harassed in any way must immediately notify our Title IX Coordinator, Brad Bouté, Ph.D., Executive Director, at bradb@swiha.edu or 480-393-1396. Students may also elect to contact the US Office of Civil Rights (<http://www2.ed.gov/about/offices/list/ocr/complaintintro.html>). Any report of such behavior will be handled with utmost respect and confidentiality. If you have any questions about this policy or the procedures for filing a complaint, please contact the Title IX Coordinator.

Sexual Harassment

For purposes of this policy, sexual harassment is unwelcome sexual advances, requests for sexual favors, verbal, or visual conduct based on sex constitute sexual harassment when:

- Submission to the conduct is an explicit or implicit term or condition of employment, or
- Submission to or rejection of the conduct is used as the basis for an employment decision, or
- The conduct has the purpose or effect of unreasonably interfering with an individual's work
- performance or creating an intimidating, hostile, or offensive working environment.
- The conduct is sufficiently severe, persistent or pervasive that it has the effect of unreasonably
- interfering with, limiting or depriving someone of the ability to participate in or benefit from the university's educational program, activities and/or employment, and is;
- Based on power (quid pro quo), the creation of a hostile environment, or retaliation.

Sexual harassment is conduct based on sex, whether directed towards a person of the opposite sex or same sex, and may include explicit sexual propositions, sexual innuendo, suggestive comments, sexually oriented "kidding" or "teasing," "practical jokes," jokes about obscene or visual material and physical contact such as patting, pinching, or brushing against another

person's body. It also includes unwelcome communications (verbal or written) of a sexual nature; failure to accept the termination of a consensual relationship with repeated and persistent requests and behavior.

Sexual Misconduct

Sexual misconduct encompasses a range of behavior used to obtain sexual gratification against another's will or at the expense of another. Sexual Misconduct includes sexual harassment, sexual assault, and any conduct of a sexual nature that is without consent or has the effect of threatening or intimidating the person against whom such conduct is directed. State laws vary on defining acts which constitute sexual misconduct. Generally sexual misconduct can involve any of the following acts:

- Intentionally indecent and/or offensive actions that are of a sexual nature including, but not limited to voyeurism, exposure, sexually explicit communication (i.e., electronic and voice messages, photos, pictures, graphics, etc.)

- Sexually explicit touching or attempt of such touching. This includes, but is not limited to, the touching, either directly or through clothing, of another person's genitalia, breasts, inner thigh, or buttocks of any person with a clothed or unclothed body part or object;
- Exposing his or her genitals under circumstances likely to cause affront or alarm;
- Having sexual contact in the presence of a third person or persons under circumstances likely to cause affront or alarm;
- Having sexual intercourse or deviate sexual intercourse in a public place in the presence of a third person;
- Soliciting or requesting another person to engage in sexual conduct under circumstances in which she/he knows that her/his requests or solicitation is likely to cause affront or alarm;

Sexual Assault

Sexual assault is physical contact of a sexual nature without clear, voluntary, intelligent, or knowing consent. In the state of Arizona sexual assault is legally referred to as sexual battery and is defined in Arizona State Statute 13-1406 as "any oral, anal, or vaginal penetration by, or union with, the sexual organ of another or the anal or vaginal penetration of another by any other object." Individuals cannot give permission or consent if they are obviously incapacitated by any drug or intoxicant. They cannot give consent if they are unaware, unconscious, asleep, or physically or mentally unable to communicate non-consent. Furthermore, individuals cannot be forced, threatened, coerced, or deceived into giving consent, which may be especially pertinent in disciplinary or supervisory relationships.

Consent

Consent is an exchange of words or actions that show an active, knowing, and voluntary agreement to engage in mutually agreed upon sexually explicit touching or penetration. Consent must be informed, and freely and actively given. Each individual involved in the activity is responsible to either obtain or give consent prior to any sexual activity. If at any time during sexual interaction confusion should arise on the issue of consent, it is the responsibility of each individual involved to stop and clarify, verbally, the other's willingness to continue. Past consent to sexual activity does not imply future consent.

Consent may never be given by a minor (in the State of Arizona, the age of consent to engage in sexual activity is 18 years; however, if a person is less than 24 years old, they may enter into consensual sexual contact with a person who is at least 16 years old)

Consent cannot be obtained through the use of physical force, threats, coercion (this includes the administration of a drug or substance that impairs the faculties of a person) or intimidation.

Consent may never be given by someone who is physically incapacitated as a result of alcohol or drug consumption (Voluntary or involuntary) or who is unconscious, unaware, or otherwise physically helpless. One may not engage in sexual activity with another who one knows or should reasonably know to be physically incapacitated.

A student's use of alcohol and/or drugs shall not diminish the student's responsibility to obtain consent before engaging in any sexual activity.

Non-Consensual Sexual Contact

This is any intentional sexual touching, however slight, with any object, by a man or a woman, upon a man or woman that is without consent and/or by force.

Examples of this behavior include, but are not limited to;

- Making another person touch someone or themselves in a sexual manner;
- Any intentional bodily contact in a sexual manner.

Intercourse includes vaginal penetration by a penis, object, tongue or finger, anal penetration by a penis, object, tongue, or finger and oral copulation (mouth to genital contact or genital to mouth contact), no matter how slight the penetration or contact.

Sexual Exploitation

This occurs when a student takes non-consensual or abusive sexual advantage of another for his/her own advantage or benefit, or to benefit or advantage anyone other than the one being exploited, and that behavior does not otherwise constitute one of the other sexual misconduct offenses. Examples of sexual exploitation include, but are not limited to:

- Invasion of sexual privacy;
- Prostituting another student;
- Non-consensual video or audio-taping of sexual activity;
- Going beyond the boundaries of consent (such as letting your friends hide in the closet to watch you having consensual sex)
