* SWIHA is not currently enrolling into this program

**This program is no longer offered. A teach out plan has been submitted

Southwest Institute of Healing Arts has a high population of students who hold jobs in other fields and who enroll for their own personal enrichment. Many of our graduates prefer self-employment versus being placed in a job. **I understand that Southwest Institute of Healing Arts has no guarantees or assurances of job placement or employment and understand the graduate and job placement rate information provided above.**
