200 Classroom Hours
10.00 Credit Hours

35 Instructional Weeks
37-40 Calendar Weeks

This 200-hour online Certificate of Excellence provides space and time for students to explore a grounded, inclusive understanding of spirituality. You are invited to deconstruct limiting beliefs about a hierarchical relationship with the god of your understanding and discover ways to express beliefs that align with your values. As a Spiritual Coach, you can hold space for people as they find their own path that meets their spiritual needs. As a Celebrant, you have the opportunity to serve people through ceremony as they mark the important milestones of their lives: births, weddings, losses, and other major transitions. Our certificate of excellence programs are avocational, and these courses/programs are designed exclusively for personal or professional development and enhancement.
